The confirmation of the proceedings of the last meeting.

The extended Departmental Committee meeting inviting the syllabus committee members was held on September 1, 2022, at 2 pm at the HOD Zoology chamber. The syllabus committee has finalized the PG Zoology syllabus after making necessary editing primarily by the syllabus committee members in consultation with the departmental faculties.

The point to be mentioned in this regard is that because of the absence of Prof S.K De (on lien), the syllabus committee has suggested incorporating the CBCS course Basic & applied Immunology in place of the erstwhile course Haematology.

It has also been decided that the revised syllabus will be sent to the University authority for final approval.

The meeting ended with thanks to the chair.
