Resolutions

Agenda1: Modus operandi of 3-month certificate courses to be run under Vidyasagar University.

Resolutions of Agenda 1:

The matter is thoroughly discussed in the meeting and it was resolved that the proposed 3-month certificate courses are suitable for running in the current session 2023-24. However, the courses cannot be run under CDOE as CDOE does not have affiliation from DEB, UGC currently. It has to be run from any other centre of the Vidyasagar University.

Ideally, it should be run under Career Advancement Centre (CAC), as it has been running successfully from various leading institutions. As Vidyasagar University does not have fully fledged CAC, the above courses in the 1st phase can run under the Incubation
