Sub: Floral Inventorization and other related works in Susunia and Jhalda MPCAs in South Bengal

Dear Sir,

With reference to the subject mentioned above and the meeting held at your chamber on 21st June, 2018, we wish to carry out the floral inventorization and other related works for Susunia MPCA in Bankura district and Jhalda MPCA in Purulia district with assistance from your department. The PIA of the project is Research Circle, Directorate of Forests, Government of West Bengal. The total approved budget for the assignment is Rs. 10.10 lakhs.

While conducting the floral inventorization in 2 MPCAs, the following works need to be carried out as per associated terms and conditions:

- a) The floristic inventorization will be carried out in 200 ha. for each MPCA. The total area will be divided in 50 numbers of grid (unit size 200 x 200 meter) from which 5 grids will be randomly selected for the survey/floral inventorization. In each working grid 5 quadrates/sample plots will be laid out within a unit size of 20m x 20m for enumeration of trees. Inside each 20m x 20m quadrate 4 (four) plots of 5m x 5m and 5 (five) plots of 1m x 1m will be laid out for enumeration of shrubs and herbs/climbers respectively.
The inventorization need to be carried out in 3 (three) seasons i.e. Pre-monsoon (April), Post-monsoon (August) and Winter (December) for each MPCA during the project period by making a total of 3 visits in each MPCA. However, if situation demands or any other requirement arrives then another visit may be carried out to fill the data gap.
- b) The estimation of growing stock will be done by measuring the girth and height of individual trees in each 20m x 20m quadrates/sample plots for one time only during the project period.
- c) Biodiversity assessment: The detailed survey data in respect of trees, herbs, shrubs and climbers will be analyzed by as per existing biodiversity assessment formula. The following results/outputs needs to be emphasized:
 - i. Population density
 - ii. Sp. density & frequency
 - iii. Variation of species
 - iv. Species dominance
 - v. Status of new recruits
 - vi. Complete list of climbers & lianas
 - vii. Complete list of orchids and epiphytes

- d) List of Rare, Endangered & Threatened species and complete list of medicinal plants found in the MPCA areas.
- e) In all cases grid wise raw data need to be submitted along with analysis and result separately.
- f) Preparation of herbarium including its digitization of all medicinally important herbs and shrubs and needs to be handed over to us. However, only 1 set of herbarium needs to be prepared for each species for each MPCA.
- g) Submission of progress and final report along with geo tagging of field photographs of various event/activities in respect of all MPCAs. No publication can be made out of the study without taking written consent from us.
- h) For conducting floral inventorization work and other related activities a remuneration of Rs. 6,000/- will be paid per 20m x 20m sample plot enumeration in each season of the 2 MPCAs (6000x25x3x2). Thus a total amount of Rs. 9,00,000/- will be paid for the work.
- i) An additional amount of Rs. 1,10,000/- will be paid for survey & demarcation with GPS of the MPCA area and laying out of grids & sample plots within the MPCA area.
- j) The amount mentioned above will be subjected to fund availability and time to time sanction by the Directorate Forest, Govt. of West Bengal.
- k) All the expenditures (related bills, vouchers and other related documents) should be submitted to the undersigned and are subjected to Audit by Govt. Auditor or CAG empanelled chartered accountant.
- l) Expenditure for transportation, food and lodging will be borne from your end. However we will facilitate to arrange vehicle, food, lodging and other logistic support.

Always feel free to discuss on any issue regarding subject matter for smooth implementation of project work.

Your kind confirmation and acceptance is requested.

Dear Sir,

With reference to the above and subsequent communication, I would like to inform you that we wish to start the floral inventorization and other related works for Susunia MPCA in Bankura district very shortly with assistance from your department. As per our understanding with the PIA of the project i.e., Research Circle, Directorate of Forests, Government of West Bengal we will not carry out inventorization work in Jhalda MPCA in Purulia district. Instead of that, we would like to carry out the floral inventorization for 1 (one) season in Kakrajore MPCA of Jhargram district with assistance from your department. The works need to be carried out in the MPCAs and other terms & conditions are remaining same as mentioned in the above referred letter.

May I request you to share your tour plan and team composition to initiate the field visit as early as possible.

Always feel free to discuss on any issue regarding subject matter for smooth implementation of project work.

Your necessary action in this regard is highly solicited.
